

EXECUTIVE TEST PREPARATION & ADMISSIONS BLUEPRINT

GMAT FOCUS EDITION 2026

GURGAON MASTER BLUEPRINT & FORMULA VAULT

100-Day 705+ Score Roadmap, Section Mastery & Official Resource Checklist

STUDY GUIDE & BLUEPRINT PROFILE:

GMAT Focus Aspirant / Candidate Guide

Primary Domain: GMAT Course Fees in Gurgaon

Target Score Objective: 705+ Focus Edition (99th Percentile Track)

Target Intake: 2026 / 2027 Admissions (ISB, INSEAD, M7 US, IIM Exec)

Curriculum: Quant Logic • Verbal Reasoning • Data Insights (Equal 33.3%)

ASSOCIATED MASTER GUIDE TOPIC:

GMAT Course Fees in Gurgaon

MENTORSHIP LED BY IIT ROORKEE FACULTY

Chief Academic Mentor: Mr. Surinder Gupta (IIT Roorkee Alumnus)

Over 25+ Years of Test Prep Excellence | 500+ Alumni in M7, INSEAD & ISB

Exclusive Centers in DLF Cyber City, Golf Course Road & MG Road Gurgaon

MBA WIZARDS & EDUQUEST COLLABORATIVE LEARNING ECOSYSTEM

Official Gurgaon Study Hubs: DLF Cyber City • Golf Course Road • Sector 14

1. GMAT Focus Edition: Format, Timing & Score Algorithm

The GMAT Focus Edition features an equal 3-way score weighting across all three 45-minute sections:

Section Name	Questions	Duration	Avg / Q	Score Scale
Quantitative Reasoning	21 Questions	45 Mins	2m 08s	60 - 90
Verbal Reasoning (CR & RC)	23 Questions	45 Mins	1m 57s	60 - 90
Data Insights (DI & DS)	20 Questions	45 Mins	2m 15s	60 - 90
Total GMAT Focus Exam	64 Questions	135 Mins	2m 06s	205 - 805

2026 Focus Score & Percentile Conversion Matrix:

Focus Score	Legacy Equiv	Percentile	Admissions Competitiveness & B-School Target
805	800	100th %ile	Top 0.01% Worldwide Stanford GSB & Harvard Top Fellowship
755	780	99.9th %ile	Wharton, Columbia, MIT Sloan Full Scholarships
705	760	99th %ile	M7 Elite Threshold ISB Torchbearer & Dean's Merit Award
665	720	93rd %ile	INSEAD, LBS, Oxford Said, HEC Paris Competitive Baseline
645	700	89th %ile	Classic 700 Barrier IIM Ahmedabad/Bangalore/Calcutta PGPX
595	650	72nd %ile	Top 30 US & European Tier-1 B-Schools Standard Pool

Key Algorithm & Test Strategy Rules:

- Item-Adaptive Algorithm: The exam adapts question difficulty within each individual section.
- Equal Sectional Impact: Quant, Verbal, and Data Insights each contribute exactly 33.33% to total score.
- Question Review & Edit: You can bookmark any question and edit up to 3 answers per section.
- Zero Penalty for Review: Strategic guessing and bookmarking ensures you never leave questions unattempted.
- Section Order Freedom: Choose any of the 6 possible section sequences at test center start.

2. 100-Day Executive Roadmap & Core Formula Vault

Structured 100-Day Study Calendar (12-15 Hours / Week):

Phase 1: Foundation (Days 1 - 25)
Diagnostic mock test, arithmetic roots, CR argument anatomy, and DI basic tables.

Phase 2: Section Mastery (Days 26 - 60)
Number properties, algebra inequalities, RC passage speed-mapping, Data Sufficiency drills.

Phase 3: Timed CATs (Days 61 - 85)
Official Practice Exams 1-4, error log audit, section pacing triage, trap avoidance.

Phase 4: Peak Readiness (Days 86 - 100)
Official Exams 5-6, mock debriefs, question review discipline, test center rehearsal.

Executive Formula & Logic Cheat Sheet:

• Arithmetic & Number Properties:
Divisibility, LCM/HCF relations, Unit Digit Cycles (2: 4, 3: 4, 7: 4, 8: 4), Even/Odd Parity.

• Work-Rate & Harmonic Mean:
Combined Rate: $1/T = 1/A + 1/B$ | Average Speed = $(2 * S1 * S2) / (S1 + S2)$.

• Overlapping Sets (3 Sets):
Total = $A + B + C - (\text{sum of 2-sets}) + (\text{All Three}) + (\text{Neither})$.

• Permutations & Combinations:
 $nPr = n! / (n - r)!$ | $nCr = n! / [r! * (n - r)!]$ | Circular Permutation = $(n - 1)!$.

• Critical Reasoning Negation Rule:
Negate assumption: If argument conclusion falls apart completely, choice is 100% correct.

• Data Insights Estimation:
Sort columns immediately; round decimals to 10% / 5% / 1% benchmarks before computing.

3. The 4 Pillars of 705+ Score Acceleration

1

1. Cognitive Trap Deconstruction
GMAC tests reasoning traps rather than calculation difficulty. Learn to identify boundary condition traps in inequalities and causal flaws in Critical Reasoning in under 30 seconds.

2

2. The 1-on-1 Digital Error Log
Categorize every mistake into: (a) Conceptual Gap, (b) Pacing Panic, (c) Trap Susceptibility, or (d) Calculation Slip. Review weekly with IIT Roorkee faculty to permanently plug score leaks.

3

3. Precision Pacing Benchmarks
Target 2:08 per Quant problem, 1:57 per Verbal question, and 2:15 per Data Insights question. Never spend over 2.5 minutes on a single problem—guess, bookmark, and move on.

4

4. Official GMAC Resource Fidelity
Train exclusively on official questions produced by actual GMAT question writers. Third-party synthetic questions often test flawed logic and unrepresentative arithmetic.

Official Prep Checklist: Recommended Official GMAC Resources

☐ GMAT Focus Official Guide (OG 2024-2025)

☐ Quantitative Review & Verbal Review Official Supplements

☐ Data Insights Official Practice Questions (100+ questions)

☐ Official Practice Exams 1 & 2 (Free with GMAC account)

☐ Official Practice Exams 3, 4, 5, 6 (Official Exam Pack)

☐ MBA Wizard Topic-Wise Advanced 750+ Level Problem Bank

4. Gurgaon Coaching Options & 1-on-1 Consultation Booking

MBA Wizard & EduQuest Gurgaon Centres & Virtual Hybrid Flex Program:

Feature / Dimension	MBA Wizard & EduQuest	Generic Commercial Classes
Faculty Pedigree	IIT Roorkee Alum (25+ yrs)	Junior hired trainers
Batch Size	Ultra-Small (8-12) or 1-on-1	Large Crowds (40-60 students)
Focus Edition Updates	100% Focus DI & Adaptive	Recycled legacy material
Doubt Resolution	Direct faculty WhatsApp/Call	TA doubt tickets / delays
Corporate Flexibility	Weekend + Late Night Live	Fixed rigid schedules
Admissions Consulting	Included (ISB/IIM/Ivy League)	Additional Rs 1L - 2.5L

SCHEDULE YOUR COMPLIMENTARY 1-ON-1 DIAGNOSTIC CALL
