OFFICIAL MBA WIZARDS SEO BLUEPRINT & STRATEGY RESOURCE

CAT STARTER KIT

Section-Wise Syllabus, 6-Month Preparation Roadmap & Forensic Mock Analysis Template

EXECUTIVE CANDIDATE PREPARATION DOSSIER

- Document Classification: High-Yield Proprietary Strategy Dossier
- Curated By: Mr. Surinder Gupta (IIT Roorkee Alumnus, 25+ Yrs Exp)
- Pedagogy: The 5-Pillar Algorithmic & Admissions Mentorship Model
- Interactive Tools: AI CAT & GMAT Mock Interview Engines (Available Online)
- Verification: 100% Calibrated with Latest 2026/2027 Admissions Regulations
- Portal Access: www.mbawizards.co.in | Cyber City Hub, Gurgaon

WHAT IS INSIDE THIS STRATEGY BLUEPRINT:

' Section-by-section strategic checklists, timing rules, and score targe
' Forensic root-cause error log frameworks for rapid percentile jumps
' Official class profile medians and composite shortlisting formulas
' Direct consultation voucher for 1-on-1 strategy audit with lead faculty

1. CAT 120-Minute Exam Blueprint & Sectional Breakdown

Conducted annually by the IIMs for 3.3+ lakh aspirants. Master the sectional pacing and TITA mechanics.

Section Name	Duration	Total Questions	MCQ Questions (-1 Neg)	Non-MCQ TITA (0 Neg)	Target Attempts for
VARC (Verbal Ability & RC)	40 Minutes	24 Questions	18-20 Questions	4-6 Questions	16-18 Attempts (85%+ Acc)
DILR (Data Interp & Logical Res)	40 Minutes	20 Questions (4 sets of 5)	15-18 Questions	2-5 Questions	10-12 Attempts (2-2.5 Sets)
QA (Quantitative Ability)	40 Minutes	22 Questions	14-16 Questions	6-8 Questions	13-15 Attempts (85%+ Acc)
TOTAL EXAM	120 Minutes	66 Questions	Approx 48-54 MCQs	Approx 12-18 TITAs	40-44 Attempts (~99.5 %ile)

Marking: +3 for Correct, -1 for Wrong MCQ, 0 for Unattempted or Wrong TITA. Section switching is strictly locked.

2. Section-Wise High-Yield Syllabus & Weightage Analysis

CAT does not reward solving everything. It rewards picking the right questions and eliminating negative marks.

Section	High-Yield Core Topics	Typical Question Share	High-Scorer Preparation Strategy
VARC: Reading Comprehension	Philosophy, Economics, Sociology, Science, History essays	16 Questions (4 passages)	Read Aeon essays, The Hindu editorials daily; focus on author tone
VARC: Verbal Ability	Para Jumbles, Para Summary, Odd Sentence Out, Sentence Place	8 Questions (mostly TITA)	Leverage pronoun and chronological links; zero penalty on TITA
DILR: Logical Reasoning	Linear & Circular arrangements, Tournaments, Matrix puzzles	10 Questions (2 sets)	Spend first 4 mins scanning all sets; solve the 2 easiest sets completely
DILR: Data Interpretation	Tables, Bar/Pie charts, Venn diagrams, Scatter plots, Max-Min	10 Questions (2 sets)	Approximate calculations; look for sets with independent sub-questions
QA: Arithmetic (Anchor)	Percentages, Profit/Loss, TSD, Time/Work, Mixtures, Ratios	8-10 Questions (~40%)	Must master completely; arithmetic alone guarantees 90+ percentile in QA
QA: Algebra (Anchor)	Linear/Quadratic equations, Inequalities, Logs, Sequences	6-8 Questions (~30%)	Backsolve with answer choices; memorize properties of AP/GP and functions
QA: Geometry & Numbers	Triangles, Circles, Mensuration, Number properties, Remainders	4-6 Questions (~20%)	Learn core theorem shortcuts; skip multi-concept geometry if time-pressed

Strategic Insight: Solving just 10 questions in DILR with 100% accuracy yields a 99th percentile in DILR.

3. Month-by-Month 6-Month Roadmap to 99th Percentile

A proven phase-by-phase framework created by IIM alumni mentors.

- Months 1 & 2 (Foundations): Build conceptual clarity across QA (Arithmetic & Algebra), read 2 long essays daily for VARC, solve 2 DILR sets daily.
- Months 3 & 4 (Sectional Mastery & Speed): Transition to timed topic tests. Take your first 5 full-length mocks. Start building a forensic error log.
- Month 5 (Aggressive Mock Testing): Take 2 full-length mocks per week (total 10-12 mocks). Focus exclusively on question selection and skipping time-sinks.
- Month 6 (Tapering & Strategy Lock): Re-solve past 7 years of CAT actual papers. Take 1 mock per week under your allocated slot time (Slot 1, 2, or 3).
